

2 DAY COURSE ON GARDEN DESIGN Planning and Planting

Tuesday 3rd NOV, Wednesday 4th NOV 2026

10am-3pm

in the **WARWICK HALL, BURFORD, OXFORDSHIRE, OX18 4RY**

In DAY ONE, we cover the Ground Rules of Garden Design; the principles by which professionals work. We cover the division of space, balance and proportion, paths, steps, paving and the Garden Ornament which adds soul to a design and a very personal atmosphere to a plot. During an *optional* half hour, 3pm – 3.30pm, we discuss the practical ways to include sustainability in our garden designs.

In DAY TWO: we learn to use plants for a purpose, to design a very personal space with charm and interest, balance and proportion. Soul is the key element to successful planting plans – missing in CAD design – and this can only be taught in a classroom with a stimulating interaction of a diverse group of enthusiasts from all walks of life with differing styles and experience.

Balance, proportion, shape, texture and tone are all covered and during an *optional* 3pm-3.30pm slot we discuss the challenges of climate change and considerations appropriate for a sustainable, lovely garden.

Informative handouts will be given on both days

For those wishing to add a **Private Consultation** on a one-to-one basis with Wendy, there will be time available for three one-hour slots on Thursday 5th November between 9am and 12 noon on a first come first served basis. Please contact Wendy for further details and to book in advance.

There is a good café on-site and a large car park adjacent to the hall. Accommodation is available at the Travelodge in Burford which has good car parking, and various local Inns.

Places are restricted on the course and early booking is advised. Please fill in the [Booking Form](#) as required and note **the closing date is 29th October 2026**.
